ALVIN K. HELLERSTEIN, U.S.D.J.:

A status conference was held on September 10, 2015. The following issues were resolved:

1. With respect to the release of potential claims by various defendants against the WTC Captive Insurer, Ms. Warner, counsel for the Captive, reported that attorneys handling the defense of N.Y.U. (insured by A.I.G.) successfully mediated their claims against the Captive. All defendants are able to stipulate to the release of claims against the Captive. No substantive problems were reported and the releases should be given shortly. Claims involving several defendants have not yet been released. These include three buildings, at 140 West Street, 60 Hudson Street, and 59 Maiden Lane.

2. Counsel reported satisfactory resolution of all worker's compensation liens with all carriers other than Clarendon (now Enstar). This carrier involves the same three buildings listed above: 140 West Street, 60 Hudson Street, and 59 Maiden Lane. Resolutions are expected soon.

3. The Court set a schedule for the cases remaining for trial, also filed on ECF.

Dates for Daubert hearings, the final pre-trial conference, and trial are firm and will not be changed.

SO ORDERED.
