STANDING ORDER

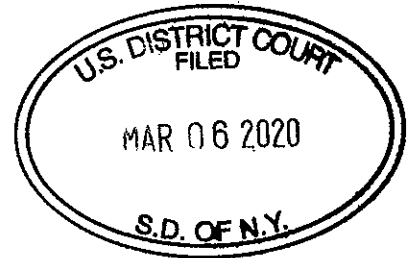

In re: Detainee Screening Procedures

M10-468

-----X

The Court hereby confirms that it has directed the Metropolitan Detention Center to screen all detainees who are scheduled to appear in the Southern District of New York to determine their body temperature. Such screening shall take place reasonably prior to the detainee's court appearances. If the temperature is 100.4 or above, such detainees should not be produced and the Court, forthwith, be notified.
