Positions: Judge Nathan will hire one intern for the summer of 2020. Generally, the summer internship runs for ten weeks from mid-May to mid-July, though the start and end dates are flexible. Judge Nathan will consider applicants who wish to split their summer between an internship in chambers and an internship somewhere else. However, applicants should be able to spend a minimum of four weeks in chambers.

Application Process: Students in their first, second or third year interested in a summer internship in Judge Nathan's chambers should email a cover letter, resume, transcript, writing sample, and a list of two references to ajninternapp@gmail.com. Please attach these items to your email as a single PDF. Chambers will contact applicants for an interview. Judge Nathan does not conduct telephonic or videoconference interviews. She will begin reviewing applications in December.
