Electronic Device and Wi-Fi Access Instruction
Sheet For Attorneys

- Attorneys must complete the attached form to request electronic device and Wi-Fi access.
- Electronic Device and Wi-Fi Access request form must be approved and signed by a District or Magistrate Judge. Chambers will then send the order to the District Executive's Office, as well as a copy to the requesting attorney.
- Once approved, the attorney will receive a network name, user name and password from the District Executive Office on the first day of the scheduled proceeding. If you wish to test the Wi-Fi prior to your proceeding, that request must be made to chambers and approved by the Judge.
- Only approved attorneys may use Wi-Fi. Passwords and usernames cannot be shared amongst others.
- Time limits for Wi-Fi usage may only be extended if approved by a Judge.
- Wi-Fi access is limited to specific Courtrooms.
- Login instructions will vary for different device types.

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

_____ x

IN THE MATTER OF AN APPLICATION

SDNY Client Wi-Fi Login Procedure

1. Connecting to the network.

a. Apple Mobile Devices

- i. Go to settings > Wi-Fi and then choose the network that you were given by the District Executive's Office.
- ii. Enter the first password provided to you by the District Executive's Office to connect to the secured Wi-Fi Network

- iii. Wait for a few seconds and a captive portal page will show up. Please note that sometimes although rare this can take up to 45 seconds in some devices. Just tap the screen from keeping the iPhone from entering sleep mode.
- iv. Once captive portal shows up enter the required account information give to you by the District Executive's Office and click submit.
- v. When the login process is successful the cancel button will change to a done button. Click Done and you will be connected to the internet.

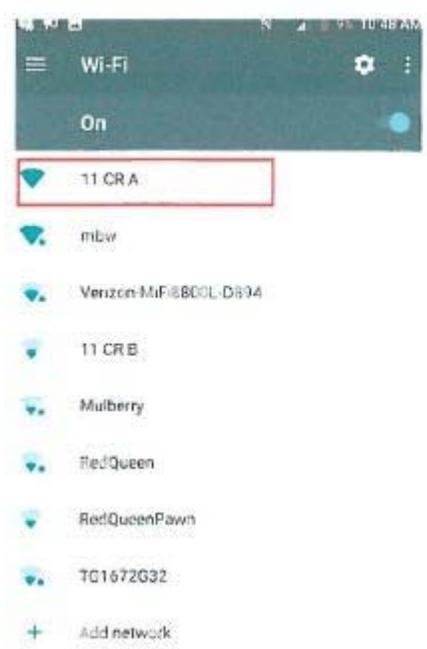

b. Android Devices

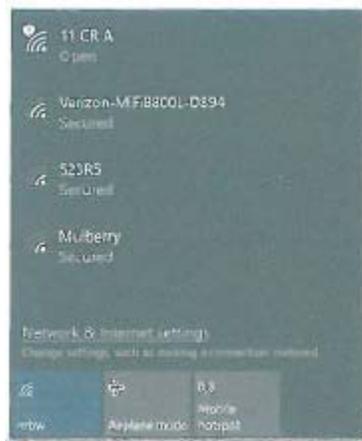

- i. In your Wi-Fi settings connect to the network that you were provided by the District Executive's Office.
- ii. Enter the first password provided to you by the District Executive's Office to connect to the secured Wi-Fi Network

- iii. A notification will show asking you to sign in to the Wi-Fi Network. Tap the notification that appears at the top of the screen.

- iv. Fill in the user name and password provided by the District Executive's Office and tap submit. You can now navigate the internet.

c. Windows and MacOS Devices

- i. Search the available networks and click the one that was provided to you by the District Executive's Office.
- ii. Enter the first password provided to you by the District Executive's Office to connect to the Wi-Fi Network
- iii. Open your browser and navigate to any page, you will be redirected to the portal page.
- iv. Once captive portal shows up enter the required account information give to you by the District Executive's Office and click submit.
